Byzantine empire map activity pdf

At the end of this assignment, I will be able to identify the position of the Byzantine Empire and Constantinople. Explain how the Byzantine Empire grew up as a shopping and cultural center along the trade routes. Directions: Use multiple maps and step by step directions below to complete the map. This map will show the split of the Eastern and Western Roman Empire, where the Byzantine Empire was located and the main navigable routes, cities and commercial routes important to it. Click the image to view it enlarged. Step 1 - Label the following water bodies: 1. Mediterranean Sea2. Black Sea3. Mar Egeo4. Strait of Bosphorus 5. Atlantic OceanLabel the following continents: (YOU SHOULD KNOW THESE) - 6. Europe7. Africa8. AsiaStep 2 - Label the following cities: 1. Rome2. ConstantinopleStep 3 - Follow the coloring instructions below: Color the Western Roman Empire and the Roman Empire of the East / Byzantine two different colors. Draw a RED line or border between Western and Eastern Roman empires. Draw a PURPLE line for the Silk Road. Using diagonal lines, color in the area controlled by Giustiniano. (FYI-This area is already outlined on the map. This area will cover parts of the map you have already colored.) Water color BLUEStep 5 - Make a key to identify each of the colors/patternes used. Put a compass and a title somewhere on your map. Step 6 - Answer the map analysis questions below in the space provided on the map worksheet. Area controlled by Emperor Justinian. How did the position and trade impact the Byzantine Empire? Compare the relative size and location of the Roman Empire and Byzantine Empire controlled by Justinian. What's bigger? What are the important geographical characteristics that every control?
